Prayer Loop of the SAMCF

- Prayer does not have an open end – God always answers our Prayers!
- Let the outcome of our prayers be shared
- Let us give our prayers hands and feet – don't just ask God to do it, but ask God to equip and assist us in doing it.

"Prayer is not only asking, but is an attitude of the mind which produces the atmosphere in which asking is perfectly natural. "Ask, and it will be given to you..." Matthew 7:11

Oswald Chambers

John 21:17 And then He said, "Feed my Sheep."

In effect, He is said, "Identify yourself with My interests in other people," not, "Identify Me with your interests in other people."

(My Utmost for His Highest)

O Lord our God, we commend to thy gracious care and keeping the men and women of the Armed Forces, especially those now serving in We ask you to protect them from all danger to body and soul; to give them a loyal, courageous and disciplined spirit; to instil in them the love of justice and liberty, and to grant that they may be called to serve only for the establishment of peace throughout the world; for the sake of Jesus Christ our Lord. Amen.
